

Pedestrian & Youth Sector Guidelines Supported by National Youth Agency

The health and safety of our young people and our staff/ tutors is of the upmost importance to us at Pedestrian. We will always follow Government guidelines to ensure everyone is kept safe.

In light of the roadmap announcement from the Government on 22/02/2021, we will be following the guidance set out by the National Youth Agency, who are continually working closely with the Department of Culture, Media and Sport (DCMS). They have set out a 5 step roadmap for youth work delivery.

Our Alternative Education Provision continues to follow education guidance however our projects will run following the below guidance:

The Roadmap has four steps (although Step 1 has two parts):

RED LEVEL – STEP 1 (up until 12th April)

- Small group work sessions indoors with **high need/ vulnerable** young people (consistent with social distancing guidelines) will continue
- Bubbles of up to 15 high need/ vulnerable young people plus staff/ tutors are allowed indoors and outdoors (we will continue to have smaller numbers of 8-10 depending on the session)
- Our staff/ tutors can move between bubbles as needed
- Only one bubble will be permitted indoors at any given time.
- Any support workers/ personal assistant required by young people are categorised as staff so do not form part of the 15

AMBER LEVEL – STEP 2 (no earlier than 12th April)

- Small group work sessions indoors with **ALL** young people (consistent with social distancing guidelines) will continue
- Bubbles of up to 15 young people plus staff/ tutors are allowed indoors and outdoors (we will continue to have smaller numbers of 8-10 depending on the session)
- Our staff/ tutors can move between bubbles as needed
- More than one bubble will be permitted indoors at any given time.
- Back to back sessions are permitted and our staff/ tutors can move between bubbles as needed
- Trips & Visits are permitted
- Any support workers/ personal assistant required by young people are categorised as staff so do not form part of the 15

YELLOW LEVEL- STEP 3 (no earlier than 17th May)

- Small group work sessions indoors with **ALL** young people (consistent with social distancing guidelines) will continue

- Bubbles of up to 15 young people (although this may change) plus staff/ tutors are allowed indoors and outdoors
- Our staff/ tutors can move between bubbles as needed
- More than one bubble will be permitted indoors at any given time.
- Back to back sessions are permitted and our staff/ tutors can move between bubbles as needed
- Trips, visits, overnight stays and residential are permitted
- Any support workers/ personal assistant required by young people are categorised as staff so do not form part of the 15

GREEN LEVEL – STEP 5 (no earlier than 21st June)

All activity to resume like normal prior to Covid without any restrictions.

For all young people, the following guidelines will need to be followed:

- Social distancing needs to be adhered to at all times which is currently 1.5m plus although ideally 2m (this includes our staff and we will continue to remind young people)
- Young people are permitted to travel between towns/council areas in order to attend a youth sector support group
- There will be frequent cleaning of equipment/material and other high frequency touch points
- Face coverings must be worn indoors by those over aged 11+ years
- Those under 11, do not have to wear a face covering but need to ensure social distancing is met
- There will be no restriction on activity that can be delivered and any equipment/materials will be cleaned before and after use
- No separate waiver forms are required as long as we have consent forms in place and we will keep registers of all young people at every session
- Refreshments can continue to be provided- to make this safe, food/ drinks cannot be shared and only pre-packaged food will be given as easier to handle
- These exemptions are ONLY for our venue however we would check all guidance is met if we deliver in an alternative venue/space
